Dear Parents,

We had a fantastic National day celebration on the February 21\textsuperscript{st}. The highlight had to be the human train procession which meandered around the school. Our sports days were also enjoyed by all who participated. Thank you for all your support on these days and please join me in thanking the teachers who worked so hard to make the day special for our students.

Re-Registration for our current students has opened

If you do wish to secure your child’s place at the school for the next academic year, please register your child’s name(s) with the registrar and accountant. The non-refundable re-registration fee is KD 100. Please note that before any student can be re-registered for the 2013-2014 academic year all outstanding accounts for the current academic year must be settled. In addition to our current processes, please go to the school website (www.iak.edu.kw) and read through the parent handbook. Part of the re-registration process is that you understand how the school operates, so we will need you to print off, fill in and sign the last page of the parent handbook to be able to re-register.

You will be helping us if re-registration is completed earlier rather than later, as we can then start the teacher recruitment process earlier and select new teachers from a wider pool of talent. This will also help our planning for next year.

Unfortunately, the school may have to give your child’s place to someone on the waiting list if registration is not completed by 30th April. Please complete the form below and return it to your form tutor.

As always, I would like to thank you for your continued support and cooperation

Yours Sincerely
